

For: State and County Offices

**Waiving \$45 Loan Service Fee for Additional
Warehouse-Stored Peanut Loans Processed Due to Multiple Storage Dates**

Approved by: Deputy Administrator, Farm Programs

1 Overview

A

Background

Notice LP-1857 provided instructions for determining the loan service fee for peanut warehouse-stored loans as the smaller of the following:

- \$45.00 for each warehouse-stored loan plus \$3 for each warehouse receipt over 1
- ½ of 1 percent times the gross loan amount.

Notice PS-440 provided instructions for determining the “Date Documents Received” date for 2002 peanut warehouse-stored loans as the storage date entered on the warehouse receipt.

A producer or CMA may request a warehouse-stored loan for multiple warehouse receipts that contain multiple storage dates. Because a single loan can only contain 1 “Date Documents Received” date, the producer’s or CMA’s loan request has to be processed as multiple loans. APSS calculates a service fee for each loan processed.

B

Purpose

This notice informs State and County Offices that the \$45 service fee shall be waived for additional loans that are processed because of multiple storage dates.

<p>Disposal Date</p> <p>May 1, 2003</p>	<p>Distribution</p> <p>State Offices; State Offices relay to County Offices</p>

Notice LP-1879

2 Determining Peanut Warehouse-Stored Loan Service Fee

A

Waiver of Loan Service Fee

County Offices shall:

- for 2002 crop year **only**, waive the additional \$45 loan service fee when processing a loan application that must be disbursed as multiple loans because of a different storage date
 - **not** waive \$45 loan service fee when multiple loans are disbursed because of a different:
 - warehouse code
 - peanut type
 - application date.
-

B

Determining Loan Service Fees

When a loan application contains multiple warehouse receipts, County Offices shall:

- separate warehouse receipts for that loan application by:
 - warehouse code
 - peanut type
 - storage date
 - process separate warehouse loan transactions for each group of receipts having the same storage date
-
